

SURFACES FOR EVERY MOMENT

About Us

Elevate Your Interior Spaces With Formite

Formite is a distinguished brand under the Balochistan Laminates Division of Thal Limited, part of the prestigious House of Habib. As pioneers in manufacturing and exporting high-pressure laminates in Pakistan, Formite provides innovative decorative surfaces for Residential, Hospitality, and Commercial Spaces.

At Formite®, we offer a wide range of High-Pressure Laminates, Compact Laminates (Construction & Electrical Grade), and Laminated Boards (MDF & Chipboard) that are perfect for transforming your interior spaces. Our products empower interior designers and architects to bring their visions to life. Whether you are working on an interior design project or updating residential, commercial spaces, or corporate offices, Formite's quality products are designed to exceed your expectations. Create a lasting impression with our high-pressure laminates, known for their durability and versatility. With an extensive range of colors, textures, and finishes, you will find the perfect laminate to complement any design aesthetic. Our laminates are carefully crafted to replicate the natural beauty of wood, stone, and other materials, adding a touch of elegance to your interior spaces.
